

Sample Drawing 6

- Complete **Sections 10I and 12** and **Sections 10A, 10B, 13, and 21** if applicable to your project. Provide **plan view** and **cross-section** site-specific drawings adequate for detailed review, include:
- ☐ Overall site plan showing existing lakes, streams, wetlands, *floodplains*, and other water features.
 - ☐ Name of waterbodies, property boundaries, and neighboring property owner information.
 - ☐ The boardwalk or deck dimensions in feet (height, width, and length).
 - ☐ In cross-sectional view show the maximum and minimum height of boardwalk above existing ground and the supporting system (i.e. fill or pilings).
 - ☐ Distance from end of boardwalk to *shoreline* or ordinary high water mark.
 - ☐ The existing and proposed building dimensions and minimum and maximum distances of proposed cut and or fill from waterbodies, wetlands, and floodplain boundaries (ft).
 - ☐ The observed water elevation and date of observation (M/D/Y).
 - ☐ Datum (*NGVD 29* or *IGLD 85* on *Section 10 Waters*).
 - ☐ *Soil erosion and sedimentation control measures*.

Sample Drawing 7

- Complete **Sections 10B** and **Sections 10A, 12, 13, and 21** if applicable to your project. Provide **plan view** and **cross-section** site-specific drawings adequate for detailed review, include:
- ☐ Overall site plan showing existing lakes, streams, wetlands, *floodplains*, and other water features.
 - ☐ Name of waterbodies, property boundaries, and neighboring property owner information.
 - ☐ The dredge spoils disposal area location in an upland area above the 100-year floodplain. If spoils will be disposed of off-site, attach a detailed location. Sediment sampling may be required.
 - ☐ The location and dimensions of existing or proposed *docks* or *piers*.
 - ☐ The maximum and average dredge dimensions (ft) in both plan and cross-section views. Calculate dredge volume (cu yd) by multiplying average (depth) x (width) x (length) in feet and dividing by 27.
 - ☐ The observed water elevation and date of observation (M/D/Y).
 - ☐ Datum (*NGVD 29* or *IGLD 85* on *Section 10 Waters*).
 - ☐ *Soil erosion and sedimentation control measures*.
